Bread for the World

In 2023, Federal nutrition programs reached more than 39 million women and children globally with critical nutrition interventions. Less than 1% of the Federal budget supports these critical humanitarian nutrition programs. These programs also support U.S. strategic interests by building and maintaining relationships with partner countries and promoting regional stability.

On the weekend of May 11th, the St. Louis Bread for the World Ministry will be holding our Annual Offering of Letters after all Masses. Tell your member of Congress that you want these programs, WHICH HAVE ALREADY BEEN FUNDED FOR THIS FISCAL YEAR REINSTATED IMMEDIATELY.
